

## **VTSI Eligible JHU PhD Programs**

### **School Of Medicine**

Biochemistry, Cellular and Molecular Biology  
Biological Chemistry  
Biomedical Engineering  
Cellular and Molecular Medicine  
Cellular and Molecular Physiology  
Cross-disciplinary Program in Biomedical Sciences (XDBio)  
Functional Anatomy and Evolution  
Health Sciences Informatics  
Human Genetics and Molecular Biology  
Immunology  
Neuroscience  
Pathobiology  
Pharmacology and Molecular Sciences

### **Bloomberg School of Public Health**

Biochemistry and Molecular Biology  
Biostatistics  
Environmental Health and Engineering  
Molecular Microbiology and Immunology

### **Krieger School of Arts and Sciences**

Cell, Molecular, Developmental Biology, and Biophysics  
Biophysics  
Chemical Biology  
Chemistry  
Cognitive Science  
Earth and Planetary Sciences  
Mathematics  
Physics and Astronomy  
Psychological and Brain Sciences

### **Whiting School of Engineering**

Applied Mathematics & Statistics  
Chemical and Biomolecular Engineering  
Civil Engineering  
Computer Science  
Electrical Engineering

Environmental Health and Engineering

Materials Science and Engineering

Mechanical Engineering
